

Plastic caps and lids that are PERMITTED include, but are not limited to, the following:

- FROM DRINK ITEMS – bottled water, pop, drink bottles, milk (including the ring), juices and creamers.
- FROM FOOD ITEMS – peanut butter, jelly, mayonnaise, cottage cheese, margarine tubs, ketchup and other flip-top condiment bottles, mustard and other spout-top condiments, coffee, spray cans like PAM and snap-on yogurt lids.
- FROM HOUSEHOLD ITEMS – liquid laundry detergent, softener, spray bottles and household cleaners.
- PERSONAL ITEMS – shampoo, cream rinse, aspirin, vitamins and prescriptions.

Items that are NOT permitted include any metal caps, trigger or pump spray caps and fast-food lids.

All caps should be rinsed and free from food or other sources and placed in bags.
